

Pronto™

Simply the best value secure ID card printer

Rewrite printing

Normal full colour printing

Single feed for on-demand applications

The Magicard Pronto printer features a single card feed that enables you to produce a personalised card on demand in moments. It offers edge-to-edge and sharp image quality for simple and easy card printing in a compact and highly reliable package.

Robust, compact and portable

The Magicard Pronto printer's aesthetic curves showcase an ultra-robust product. Its light and compact design makes it easy to transport to any location and reside on any counter or desktop.

Rewrite technology

Using special re-write card stock, the Pronto colour ID card printer can print and erase the same card over and over in monochrome blue or black, ideal for visitors passes and temporary badges.

Budget friendly and secure

The Magicard Pronto printer delivers low cost printing and free card visual security with its built-in HoloKote anticounterfeiting watermark feature. A choice of 4 FREE standard watermark designs are selectable via the driver.

2 year limited warranty

The Pronto is supplied with a free, 2 year depot warranty.
